

# INVITATION

to participate in the International Scientific-Practical Conference of Students  
"Business, new technologies and a smart society"

15th May 2025

Šiauliai

## Conference aims

- To encourage and promote students' scientific research activities
- To present ideas, reflected in the thesis, projects and other students' works

## Conference topics

1. *New technologies in engineering science*
2. *Business, economics, and management: realities, problems and possibilities*
3. *Accounting, audit, and finance: theory and practice*
4. *Expression of information and communication in the information society*

## Organizing Committee

**Chairperson** – Prof. Dr Ingrida Vaičiulytė, Dean of the Faculty of Business and Technologies

### Members

- *Rosita Joana Tarasevičiūtė-Paulauskienė, a second-year student of the International Business study programme*
- *Karolina Kaladžinskė, a second-year student of the International Business study programme*
- *Eitvydė Valantinaitė, a second-year student of the International Business study programme*
- *Anastasiia Lukoshius, a second-year student of the Construction study programme*
- *Tomas Mackevičius, a third-year student of the Automation and Electrical Engineering study programme*
- *Eimantas Janušauskas, a second-year student of the Technical Exploitation of Automobiles study programme*
- *Julius Momkus, a third-year student of the Automotive Electronics study programme*
- *Erika Jonuškienė, Head of Business and Accounting Department*
- *Saulius Palepšaitis, Head of the Engineering Sciences Department*
- *Dr Aistė Padgureckienė, Lecturer of the Business and Accounting Department*
- *Lina Kušleikienė, Lecturer of the Business and Accounting Department*
- *Edita Mockienė, Lecturer of the Engineering Sciences Department*
- *Marius Kernagis, Lecturer of the Engineering Sciences Department*

## Scientific Committee

**Chairperson** – Dr. Renata Macaitienė, Professor of the Informatics Science Department

### Members

- *Dr Edgardo Sica, Associate Professor of Foggia university (Italy)*
- *Dr Rainer Rubira-García, Professor of Rey Juan Carlos university (Spain)*
- *Dr Körei Attila, Associate Professor of the University of Miskolc (Hungary)*
- *Dr Szilvia Szilágyi, Associate Professor of the University of Miskolc (Hungary)*
- *Dr Žaneta Kavaliauskienė, Associate Professor of the Business and Accounting Department*
- *Dr Renata Šivickienė, Lecturer of the Business and Accounting Department*
- *Dr Loreta Kelpšienė, Associate Professor of the Engineering Sciences Department*
- *Dr Donatas Dervinis, Associate Professor of the Engineering Sciences Department*
- *Dr Saulius Niauronis, Associate Professor of the Engineering Sciences Department*
- *Dr Artūras Sabaliauskas, Associate Professor of the Transport Engineering Department*
- *Dr Silvija Papaurelytė, Science Communication Specialist, Šiaulių valstybinė kolegija*

# International Scientific-Practical Conference of Students "Business, new technologies and a smart society"

## Key dates:

- 2 May 2025 – deadline for online registration: <https://forms.gle/FLBx61onvyS2wbvD7>
- 9 May 2025 – preliminary conference program will be announced.
- 15 May 2025 9.00 – participant registration, 10.00 – opening of the conference.
- 28 May 2025 – deadline for articles based on the conference paper presentations.

**Presentation length – up to 10 min.**

**Languages: Lithuanian, English.**

**Venue: the conference will be held on-site at Šiaulių valstybinė kolegija (Aušros al. 40, Šiauliai) and online via Zoom**

**The articles prepared on the topic of the presentations will be published (in electronic form) in the registered periodical non-reviewed scientific journal of Šiaulių valstybinė kolegija "Business, New Technologies and Smart Society" (ISSN 2783-6932). The publication is published in the Open Journal System OJS: <https://ojs.svako.lt/>**

## ARTICLE FORMATTING GUIDELINES:

### General Structure and Formatting Requirements:

- *The title of the article (capital letters, font - 14 pt, bold).*
- *Name (s) of the author (s) (12 pt, bold italic).*
- *Institution and address (10 pt, italic).*
- *Abstract of the article (up to 500 characters, in English, 10 pt, regular).*
- *2-5 keywords (10 pt, regular).*
- *Section titles (12 pt, bold).*
- *Main text (12 pt, regular).*
- *Table and Picture titles (12 pt, regular).*
- *Table text (10 pt, regular).*
- *Tables, figures, and photos – centred.*
- *A4 format, one column: Times New Roman, single line spacing; margins: top -1.5 cm, bottom - 1.5 cm, left - 2 cm, right - 2 cm.*

### Recommended structure:

- *Introduction (relevance of the research, object, research aim and objectives, methodology).*
- *Article text (can be divided into sections).*
- *Conclusions / Recommendations.*
- *Reference list*

**Articles should be sent to [ntsv@svako.lt](mailto:ntsv@svako.lt) by 28th May 2025**
